#### **AGM**

The Annual General Meeting is scheduled for **TUESDAY**, **May 29th.** It will begin at **7:00 PM**. All current members are welcome and encouraged to attend. Reports will be given from the sections; elections of directors, motions will be tabled for the usual housekeeping affiliations. As usual, snacks will be served after the meeting. In an effort to have more members participate in the AGM. **If you cannot** attend; we encourage you to fill out and send in the proxy form for the major motions being tabled at the meeting with the enclosed envelope.

General Shooting moves back outside for May As of May 5<sup>th</sup>, Saturday General Shooting will be held at the Outdoor Range for Saturdays only. Shooting will continue there for Saturdays (Tuesday nights will remain indoor) until October 9<sup>th</sup>.

**Guests** Don't forget AMA's guest policies – it's attached to this newsletter.

Are you on our AMA email notification list?

Occasionally we send out reminders of scheduling, issues, notifications, etc. send an email to <a href="mailto:atlanticmarksmen@gmail.com">atlanticmarksmen@gmail.com</a> to be added to the list.

Range Rules are posted at the ranges so you cannot miss them. They are also included with this newsletter, as they have been for the past 32 issues of the newsletter. Ignorance of the rules is not considered an excuse to violate them. These rules are for your safety and the safety of others. If you ignore these rules, not only do you jeopardize having the range closed, you jeopardize yours or someone else's life.

**Card Keys at the Indoor Range.** If you have issues with your key cards, please email Sean Hansen and include the card key # in your note.

**RO Course** – Graham Fortune will put on an RO course in May if there is enough interest – contact Graham to register if you are interested. His contact info is listed later in this newsletter. Note that you must have one year's shooting experience to be eligible for this course.

Range Officer Schedule – The new range officer schedule is attached to this newsletter. It will also be posted in the indoor range. If you are on this list, you are required to range officer when you are scheduled. If you cannot make it, contact one of the other ROs and trade. It is your responsibility to find the list and make sure you do your duty. The penalty for not doing your duty is that you have to return your keys.

Explosive Targets are prohibited at AMA's Indoor Range. They are permitted under special circumstances at the outdoor range. "Shockwave" or "Tannerite" Targets are permitted with written email permission from the club president. If you want to shoot these – on the rifle range – email Sean with the details when and he will book it and provide any conditions. Shooting Tannerite/Shockwave without previous permission will be grounds for expulsion from the club. "Firebird" targets – usually available at Canadian Tire are also prohibited on any of AMA's ranges.

AMA Practice Nights - IPSC shooters. AMA IPSC practice sessions will have move to Thursday nights outdoors as of April 26<sup>th</sup> This will be for the entire summer. If it is pouring rain, don't expect the gate to be open, but if it's just misting, we'll be there with the gate open. The indoor range will still be available to IPSC Shooters on Wednesday nights as well.

Outdoor Range Ranges 5-7 remain off limits to anyone that is not currently participating in a recognized action shooting discipline. Exceptions are available from the Executive in writing.

**RO Hours:** The times presented for shooting on Tuesdays and Saturdays are when the RO is on duty, if shooters are present. If the RO has no shooters within one hour of closing time; he may shut down and go home.

Ranges are not parking lots - PARKING is only permitted at the outdoor range in the parking lots, with a couple of small exceptions. (See Standing Orders) Vehicles parked elsewhere will be pelted with ricochets, mud, rocks and probably towed downrange to be used as targets.

# **Atlantic Marksmen Association**

How to use a Target Stand for the Outdoor facility.

The proper way to use a stand is to take a piece of cardboard and staple it across both uprights on the stand. Then attach a target to the cardboard. Do not attach a target so that your shots will penetrate the target and the upright of the target stand. You should always be able to find discarded IPSC and police targets in one of the trailers to use as backers.

Parking at Outdoor range - When you park; do not block any other vehicle and do not block the access roads to the rifle range or the back pistol ranges. If there is no parking remaining close to the rifle range, you'll have to park in the pistol range parking lot and walk. Please be considerate to your fellow range users so we don't have to deal with this this summer.

#### **Outdoor Range Schedule.**

IPSC - May 13, June 3, July 8, (Ranges 2-7 in Use)

IPSC Provincial Championships – September 29/30 Ranges 1-7 in Use. (General Shooting Indoors Sept 23)

3 Gun Competition October 13/14 – ALL RANGES IN USE except Shotgun

This schedule may change – we will email out if any changes are necessary.

**Ticks at the outdoor range.** Like every year, there will again be ticks at the outdoor range. Make sure that you use insect repellent with lots of DEET in it and check yourself thoroughly when you return from the range to ensure none have hitched a ride on you.

Please Help Us Clean Up - Just a reminder that when you use the facilities, please throw your discarded brass, old targets, <u>coffee cups</u>, patch backers, etc. in the garbage cans and not on the range surface. When you use the indoor range, sweep up after yourself and when you're outdoors remember to <u>take down your old target</u>. It's no use to anyone after the rain gets on it the next day.

**Woods Travel Ban:** If we have a dry summer, the province might institute a woods travel ban. The outdoor range is exempt from this and remains open during the ban. Just be sure to be careful when it comes to any fires, i.e. smoking, etc.

## Don't forget at the Outdoor Range:

- Failure to sign in at the facility before you fire your first shot will result in you being sent off the property for the day.
- <u>Through May, please drive slowly and don't</u> cause pot holes.
- GARBAGE: Take care of it yourself!!! At the outdoor range, there is a dumpster in the parking lot. If you fill a garbage can, take the bag and put next to the dumpster and we'll put it in
- Have your current membership card with you.
   No card = no proof of membership and ejection from the facilities.
- Park properly! Don't block others in and keep your vehicles in safe locations.
- Steel Shooting at the Outdoor Range Steel plates or poppers shot on Ranges 2&3 cause splatter to land on ranges 5&6. Therefore steel on range 2&3 must be shielded. Steel shot on Range 1 causes splatter to land on range 2 & 4, so unless the steel is at the end of the range it, too must be shielded.

# DO NOT shoot steel that does not belong to you.

## Garbage at the Outdoor Range

Please put your garbage in the garbage cans that have bags in them.

When the garbage bags are full, take them out, pull up a new garbage bag, (usually in the bottom of the can) tie it up and leave it next to the dumpster. Someone will be along to put it in the dumpster for you.

If you bring something to the range to shoot, take it home when you are done. We are not the place to dispose of your old TVs, dishes, pop bottles, water jugs, propane & scuba tanks, etc.

You don't want your home to be a dump; don't let your home away from home be one either.
